Hi John,

Let me first brief you about the progress in preparing the Webshop [GermanTom.com](http://GermanTom.com).

1. The company GermanTom International GmbH has been registered. Its website [GermanTom.com](http://GermanTom.com) is also registered. Harald is the CEO and I am the "not so visible" EVP.

2. Total capital invested is about 800,000 Euro.
3. The Webshop is scheduled to be launched November 1. 2017.
4. About 15 suppliers are being and will be negotiated. The Webshop aims at starting with 10 suppliers with a total of about 1000 products.
5. IT system architecture defined. Personnel partly hired. 6 people are working now and it will be about 12 people in October. Office good for 20 people leased with an option for expanding to the double.

**NOW, I NEED YOUR HELP:**

**GermanTom need a contact person at your end. This person will receive input for PR articles, ads etc and the person will make sure these will be done in English and Chinese version of all epoch media.**

**PLEASE GIVE ME THE NAME OF THE PERSON and his/her contact details, SO WE CAN START PLANNING THE MARKETING ACTIONS.**
